Revised February 6, 2018

Seton
Home Study School

PROGRAM FEES

The Enrollment Contract can be found on page 4.

New Family Application Fee: New families (or those who have gone for more than one year without having a child enrolled) must pay the New Family Application Fee. This fee is paid at the same time as the Base Program Fees. It must be paid by any new family enrolling in the full program. New families receive a copy of Dr. Clark's *Catholic Home Schooling Handbook*.

Pre-K and Kindergarten Enrollment Fee: This fee pays for all the student books, the tuition, academic counseling, lesson plans, and shipping and handling.

Grade 1-12 Base Program Fees: The Base Program Fees include all textbooks, workbooks, lesson plans, academic counseling, tests, grading, tuition, and shipping and handling. Only the lesson plans must be returned; **you keep all books**. Lesson plans should be returned upon completion of the work or within 12 months of the start date, whichever comes first, unless an Extension Fee has been paid.

Middle Grades and Junior High School Fee: This fee covers the additional cost of the middle grades and junior high school materials. It must be paid at the same time as the Base Program Fees.

High School Fee: This fee pays for the cost of the high school

textbooks, counselor's evaluation of previous credits, selection of courses for current and future high school programs, creation and updating of academic records, grading, and academic counseling.

A full program for high school includes up to six credits per year. Additional credits may be taken for an added fee of \$200 per credit or \$115 per 1/2 credit.

Math Fees: The *Seton Math for Young Catholics* series currently ends after 5th Grade. If you need the Saxon textbooks, there is an additional fee for each book. Please circle the books you need to purchase on the *Enrollment Contract*. If you already own the appropriate textbook or solution manual, there is no need to purchase it. If you do not own the appropriate text, you will need to purchase it from Seton or from another source. You can find more information on math choices at Seton's website. Saxon Teacher CDs are available for an extra \$80. Saxon D.I.V.E. CDs are available for an extra \$50 each. Check the S.E.M. catalog for available editions.

Shipping and Handling Fees: Shipping fees for orders within the fifty states and APO addresses are included in the Base Program Fees. Canadian families, add an extra \$25 for each Pre-K and Kindergarten child and \$55 for each Grade 1-12 to cover shipping and processing fees. International shipping has additional fees.

SETON'S REFUND POLICY (EFFECTIVE DATE APRIL 1, 2017)

1. To cancel enrollment, all lesson plans and unused books must be returned to Seton along with a letter indicating cancellation. For purposes of a refund, all times are based on the shipment date, not the start date.

- a. The cost of any used and unreturned books will be deducted from any refund due.
- b. After 1 month, Seton is due $\frac{1}{4}$ of annual tuition;
After 2 months, Seton is due $\frac{1}{2}$ of annual tuition;
After 3 months, Seton is due $\frac{3}{4}$ of annual tuition;
After 4 months, Seton is due full tuition.

2. Shipping and handling fees (\$25 per student) and the New Family Fee (\$30 per family) if applicable are non-refundable.

3. If upon cancellation a refund is due from Seton, that refund will be issued to the signer of the enrollment contract within 30 days of the date of receipt of the returned books.

4. No refund is available for the Pre-K or Kindergarten curriculum after four weeks.

FEES NOT LOCATED ON THE ENROLLMENT CONTRACT:

Course Exchange Fees: If you would like to exchange a course, you may do so within 45 days of the enrollment date for no additional charge except shipping and handling if the materials have not been used. Return unused materials to Seton along with a payment of \$12.00 (\$25.00 Canada, AK, and HI) to cover shipping and handling. This exchange policy applies to any single course in Grades 1-12. Although you are not able to exchange a Kindergarten course for a higher course level, you may choose to enroll your Kindergarten child in one or more of the elementary level single courses at our single course prices. If you have had elementary school materials for more than 45 days and would like a course exchange or upgrade, please contact our customer service department, as prices vary according to course. No exchanges are available after 6 months. If you wish to exchange a high school course after 45 days or after using the materials, you will need to enroll in a single course at our regular single course prices.

Course Extension Fees: If you wish to extend your enrollment for more than the allotted 12 months, enrollment may be extended twice, each for 6 months at \$75.00 for full enrollment. After that, the student must re-enroll.

Payment Plan Information: If using Seton's payment plan, the entire down payment must be made before the curriculum can be shipped. Late fees will be charged to delinquent accounts. Every legal effort will be made to collect unpaid account balances. Final grades will not be released until all tuition and late fees have been paid.

Shipping Information: Before the Seton curriculum can be shipped, the Application for Admission and Contract must be completed, signed, and returned along with proper payment by check, money order, MasterCard, Visa, or Discover. **All payments must be in U.S. funds.** Pre-K and Kindergarten courses must be paid in full at the time of application.

Code of Conduct: A student may be expelled for any violation of the Seton Code of Conduct. This can be found in the Parent's Homeschool Handbook sent to all new families at the time of enrollment.

TERMS AND CONDITIONS

AUTHORIZATION: As the Responsible Party whose signature appears on this Agreement, you accept and agree to be bound by the Agreement's terms and conditions until the total amount owed is paid in full. Additionally, you authorize SETON Home Study School (hereinafter, SETON) to initiate debit or charge entries to the account provided or any subsequent account. Your authorization will terminate when the total balance due has been paid (including fees, unless waived).

RETURNED PAYMENT FEE: In the event that your financial institution returns a payment, a \$25 Returned Payment Fee will be automatically processed from the account provided within 20 days. A returned payment fee will be assessed for each payment attempt that is returned. **If any returned payment fees are returned, they will be reattempted.** Fees are subject to change in future academic years.

PAYMENT DATES: If the payment date falls on a weekend or a banking holiday observed by the Federal Reserve, the payment will be attempted on the next business day. Although SETON specifies the date each payment will occur, your financial institution determines the time of day the payment is debited to the account.

CHANGES TO AGREEMENTS:

A. You may make changes to the information you provided in this Agreement by contacting SETON. In the event you authorize additional services, or in the event additional fees are assessed in accordance with SETON policy and as a result of changes authorized by you, you understand that the total balance due and/or payment amount will change. You agree that your authorization of any such change shall constitute your authorization to change the payment amount, and/or to continue payments until the total balance due is paid in full. You do not require SETON to send advance notice of any adjustments resulting from any such changed authorization, which includes any reduction in the balance due and/or payment as a result of financial aid or any other similar cause.

B. If there will be any change in the pre-authorized payment amount other than a changed authorization, as described above, SETON will give you notice of such changed payment amount at least ten (10) days in advance of the next scheduled payment.

C. You acknowledge that the origination of ACH transactions to your account must comply with the provisions of U.S. law and that the authority will remain in effect until paid in full or cancelled in writing. **Should the authorization be revoked or agreement terminated, the full amount of the outstanding balance shall be due and payable immediately.** Any delinquency due to returned payments outstanding over 30 days may be considered as termination causing the full amount of the outstanding balance to be due. **Credits to the balance due shall be based on SETON REFUND POLICIES as outlined in the enrollment packet and the SETON website.** Inquiries and changes to agreements should be addressed to paymentplan@setonhome.org.

CONFIRMATION: Any and all inconsistencies in the information provided will be resolved in the confirmation notification sent to you from SETON. The confirmation notification shall be controlling.

DISCOVERY OF SUSPECTED ERRORS: If you discover what you believe to be an error, you must report the suspected error to SETON immediately. Notification MUST be made no later than sixty (60) days after the suspected error occurred. This obligates you to timely review of your bank statements and a timely response to company letters, emails, or phone calls. It is your responsibility to report suspected errors as soon as possible.

GOVERNING LAW: You acknowledge that the origination of ACH transactions to your account must comply with the provisions of U.S. Law. This Agreement shall be governed by the laws of the State of Virginia. The District Court located in Warren County, Virginia, shall be the sole venue for filing any action.

ARBITRATION: Upon the demand of you or SETON, any dispute concerning the parties' duties or liabilities under this agreement shall be resolved by binding arbitration in accordance with the terms of this Agreement. Arbitration proceedings shall be administered by the American Arbitration Association (AAA) or such other administrator as the parties shall mutually agree upon in accordance with the AAA Commercial Arbitration Rules. All disputes submitted to arbitration shall be resolved in accordance with the Federal Arbitration Act (Title 9 of the United States Code), notwithstanding any conflicting choice of law provision. The arbitration shall be conducted at a location in Front Royal, Virginia, selected by the AAA or other administrator. All statutes of limitation applicable to any dispute shall apply to any arbitration proceeding. All discovery activities shall be expressly limited to matters directly relevant to the dispute being arbitrated. Judgment upon any award rendered in arbitration may be entered in any court having jurisdiction.

PRIVACY AND SECURITY: Data collected and stored pursuant to this Agreement is governed by SETON's privacy policy. This data will not be used in any manner not approved unless required by law (for example, a court order or subpoena). Access to the data shall be restricted to authorized associates and shall be used only for the purpose of providing service to you and SETON.
