

### Day 4

Read, study the lesson on Sin. Fill in the missing words at the end of the lesson. Study the painting by American artist, Benjamin West, of Adam and Eve after they sinned. The angel expels them from the Garden. Their faces are full of regret. They are leaving the angel and walking toward the menacing serpent. They have exchanged the safety and beauty of innocence for the harsh world brought about by sin. They are leaving the light and entering darkness. Imagine what their thoughts are: "What have I done?" "Why did I do this?"

Memorize the answers to the eight questions in Lesson 5, Numbers 24 - 31.

## WEEK FOUR

---

### Day 1

Read, study the lesson on Actual Sin in *Religion 5*. Look at Murillo's famous painting of the Blessed Mother's Immaculate Conception. The artist painted the Woman of the Apocalypse, described by St. John

in the last book of the Bible, clothed with the sun and the moon under her feet (Apocalypse/Revelation 12:1). Our Lady is the Immaculate Conception because she was free from any personal sin, nor did she inherit original sin. Since she was intended to bear the Son of God, and to be the Mother of God, it is most fitting that she should be free from any stain of sin from the moment of her conception.

The next painting represents St. John the Baptist. He is painted as a child embracing a lamb. His younger cousin, Jesus, was the Lamb. When St. John became a man, he was responsible for announcing the Lamb of God. "Behold the Lamb of God! Behold Him Who has come to take away the sins of the world!" (John 1:29).

Do the Matching quiz.

Read, study Lesson 6 on Actual Sin in the *Baltimore Catechism*.

**Saints for the Week:** St. Vincent de Paul; Archangels Michael, Gabriel, & Raphael.

### Day 2

Read, study the next lesson on Actual sin in *Religion 5*. Perhaps you recognize Correggio's lovely devotional painting, which has graced numerous Christmas cards. (It is also featured in the Art 5 text.) He shows the Blessed Mother adoring the Christ Child. Consider Our Lady's look of wonder and tender love that the artist has successfully managed to achieve.

Do the Matching quiz.

Memorize the questions and answers in Lesson 6 in the B.C., Numbers 32 - 39.

In the *Bible History*, read from p. 26 bottom to 28 top.

### BRONZE SERPENT

1. Since the king of Edom would not allow the Israelites to pass through his territory, at what did the people again complain?
2. What did they also tell Moses?
3. What did God send out of the sand to punish them? Which did what?
4. What did Moses beg God to do?
5. What did the Lord tell Moses to make out of bronze? Where did He tell Moses to set it up?
6. Who would be cured?
7. Of whom is the bronze serpent a type?

### DEATH OF MOSES

1. When Moses knew he was soon to die, of what did he remind the people? What did he read to them? What did he teach them?
2. After this, where did Moses go? What did he see from there?
3. At the age of 120 years, in what land did Moses die? Where was he buried?

### Day 3

Read, study The Incarnation in *Religion 5*. Notice the details of the illustrated painting of the Angel Gabriel with Mary at the Annunciation. The angels overhead part in order to make way for the overshadowing of the Holy Spirit upon Our Lady. Do you see the Book of Scriptures on the kneeler behind Mary? She had been praying fervently for the promised Messiah when the Angel came.
