

Admission Application/ Enrollment Contract

Revised May 1, 2019

Seton
Home Study School

PROGRAM FEES

The Enrollment Contract can be found on page 4.

New Family Application Fee: New families (or those who have gone for more than one year without having a child enrolled) must pay the New Family Application Fee. This fee is paid at the same time as the Base Program Fees. New families receive a copy of Dr. Clark's *Catholic Home Schooling Handbook*.

Pre-K and Kindergarten Enrollment Fee: This fee pays for all the student books, the tuition, academic counseling, lesson plans, and shipping and handling.

Grade 1-12 Base Program Fees: The Base Program Fees include all textbooks, workbooks, lesson plans, academic counseling, tests, grading, tuition, and shipping and handling. Only the lesson plans must be returned; you keep all books. Lesson plans should be returned upon completion of the work or within 12 months of the start date, whichever comes first, unless an Extension Fee has been paid.

Middle Grades and Junior High School Fee: This fee covers the additional cost of the middle grades and junior high school materials. It must be paid at the same time as the Base Program Fees.

High School Fee: This fee pays for the cost of the high school textbooks, counselor's evaluation of previous credits, selection of

courses for current and future high school programs, creation and updating of academic records, grading, and academic counseling. A full program for high school includes up to six credits per year. Additional credits may be taken for an added fee of \$200 per credit or \$115 per 1/2 credit.

Math/Computer/Software Fees: The Saxon Math courses, Intro to Computers, and Rosetta Stone language courses have an extra materials fee. Please circle the books you need to purchase on the *Enrollment Contract*. If you already own the appropriate textbook or solution manual, there is no need to purchase it. If you do not own the appropriate text, you will need to purchase it from Seton or from another source. The Rosetta Stone fee is not optional for the online language courses. You can find more information on math choices at Seton's website. Saxon Teacher CDs are available for an extra \$80. Saxon D.I.V.E. CDs are available for an extra \$50 each. Check the S.E.M. catalog for available editions.

Shipping and Handling Fees: Shipping fees for orders within the fifty states and APO addresses are included in the Base Program Fees. Canadian and International shipping has additional fees.

SETON'S REFUND POLICY (EFFECTIVE DATE APRIL 1, 2019)

1. To cancel enrollment, all lesson plans and unused books must be returned to Seton along with a letter indicating cancellation. For purposes of a refund, all times are based on the shipment date, not the start date.

- a. The cost of any used and unreturned books will be deducted from any refund due.
- b. After 1 month, Seton is due $\frac{1}{4}$ of annual tuition;
After 2 months, Seton is due $\frac{1}{2}$ of annual tuition;
After 3 months, Seton is due $\frac{3}{4}$ of annual tuition;
After 4 months, Seton is due full tuition.

2. Shipping and handling fees and the New Family Fee (\$30 per family) if applicable are non-refundable.

3. If upon cancellation a refund is due from Seton, that refund will be issued to the signer of the enrollment contract within 30 days of the date of receipt of the returned books.

4. No refund is available for the Pre-K or Kindergarten curriculum after four weeks.

FEES NOT LOCATED ON THE ENROLLMENT CONTRACT:

Course Exchange Fees: If you would like to exchange a course, you may do so within 45 days if the materials have not been used. Simply return the unused course materials and include a check for \$12 (\$20 in Canada; please call for other countries) to cover shipping and handling for each course, or \$30 for a full curriculum in grades 1-12 (\$55 in Canada). If you have used any elementary level materials, or have had materials for more than 45 days, but less than 5 months, and would like a course exchange or upgrade, please contact Customer Service for prices. If you wish to exchange a high school course after 45 days or after using the materials, you will need to enroll in a single course at our regular single course prices. Though Kindergarten and Pre-K courses may not be exchanged or upgraded, you may choose to enroll your Kindergarten child in one or more of the elementary courses at our regular single course prices.

Extension Fees: If you wish to extend your enrollment for more than the allotted 12 months, enrollment may be extended twice, each for 6 months at \$75.00 for full enrollment. After that, the student must re-enroll.

Payment Plan Information: If using Seton's payment plan, the entire down payment must be made before the curriculum can be shipped. Late fees will be charged to delinquent accounts. Every legal effort will be made to collect unpaid account balances. Final grades will not be released until all tuition and late fees have been paid. The payment plan is not available outside of the U.S. and Canada.

Shipping Information: Before the Seton curriculum can be shipped, the Application for Admission and Contract must be completed, signed, and returned along with proper payment by check, money order, MasterCard, Visa, or Discover. **All payments must be in U.S. funds.** Pre-K and Kindergarten courses must be paid in full at the time of application.

Transcript Fees: Seton uses a third-party service call Parchment to send transcripts to college, universities, and other schools. Each transcript sent requires a small fee, which is subject to change. (As of May 1, 2019, electronic copies are \$7.)

TERMS AND CONDITIONS

AUTHORIZATION: As the Responsible Party whose signature appears on this Agreement, you accept and agree to be bound by the Agreement's terms and conditions until the total amount owed is paid in full. Additionally, you authorize SETON Home Study School (hereinafter, SETON) to initiate debit or charge entries to the account provided or any subsequent account. Your authorization will terminate when the total balance due has been paid (including fees, unless waived).

RETURNED PAYMENT FEE: In the event that your financial institution returns a payment, a \$25 Returned Payment Fee will be automatically processed from the account provided within 20 days. A returned payment fee will be assessed for each payment attempt that is returned. If any returned payment fees are returned, they will be reattempted. Fees are subject to change in future academic years.

PAYMENT DATES: If the payment date falls on a weekend or a banking holiday observed by the Federal Reserve, the payment will be attempted on the next business day. Although SETON specifies the date each payment will occur, your financial institution determines the time of day the payment is debited to the account.

CHANGES TO AGREEMENTS:

A. You may make changes to the information you provided in this Agreement by contacting SETON. In the event you authorize additional services, or in the event additional fees are assessed in accordance with SETON policy and as a result of changes authorized by you, you understand that the total balance due and/or payment amount will change. You agree that your authorization of any such change shall constitute your authorization to change the payment amount, and/or to continue payments until the total balance due is paid in full. You do not require SETON to send advance notice of any adjustments resulting from any such changed authorization, which includes any reduction in the balance due and/or payment as a result of financial aid or any other similar cause.

B. If there will be any change in the pre-authorized payment amount other than a changed authorization, as described above, SETON will give you notice of such changed payment amount at least ten (10) days in advance of the next scheduled payment.

C.
