Seton 2023 Graduation

Seton Home Study School will hold a high school graduation ceremony on June 17th, 2023, in Front Royal, Virginia, at the facilities of Skyline High School.

In order to be eligible to participate in the graduation ceremony, 2023 graduates must:

- be a 12th grade Seton Home Study School student
- be taking sufficient courses in 12th grade to meet graduation requirements
- have earned at least 15 high school credits (any combination of Seton course credits, transfer credits, and independent study credits)
- have completed, or expect to complete, high school work in the 2023 calendar year; or completed high school on or after July 1, 2022
- be current on any tuition or fees owed to Seton
- register and pay the graduation fee by May 15, 2023

2023 graduating students ARE NOT REQUIRED to have completed all courses by the graduation date. Students who have not completed sufficient credits to graduate will receive a certificate at the ceremony. A signed diploma will be mailed to the student when studies are completed.

In order to register for the graduation, a student must have at least 15 high school credits, from any combination of Seton course credits, transfer credits, and independent study credits. **Registrations will not be accepted from students who have fewer than 15 credits.** Since the registration deadline is May 15th, students who are a credit or two short of 15 credits should have time to finish up some courses and therefore qualify in time. If you are unsure of your credits, please go to www.setonhome.org/myseton, click on the Courses tab and then click the "View cumulative high school grade report" icon. If you have further questions about courses or credits please contact Bob Wiesner, either at 540-622-8478 or BWiesner@setonhome.org.

Besides 2023 graduates, any student who completed their diploma requirements on or after July 1, 2022, and has not previously attended a Seton graduation is also eligible to attend.

We must restrict the maximum attendees per graduate to the graduate plus 10 guests. The only exception to this maximum will be immediate family members (graduate's parents and brothers and sisters).

The base graduation fee is $160, which covers the cost of the graduate plus four guests. To keep the base fee low, and to try to be as fair to everyone as possible, we have instituted a $20 per-guest fee for more than four guests. Children under 6 years of age are free.

Families who register for the graduation will be contacted with further information.
