SPELLING 3

FOR YOUNG CATHOLICS

SECOND EDITION

In *Spelling 3 for Young Catholics*, the student listens to the sounds in a word, and then he identifies the letters of the alphabet that make the sounds. He learns how to spell words with short vowel sounds, long vowel sounds, vowel digraphs, and vowel sounds that are produced by a variety of vowel and consonant combinations. In addition, he learns the sounds and spelling of commonly used suffixes.

Each lesson has a list of fifteen words plus a challenging bonus word. A variety of activities reinforce the spelling of the list words. In each lesson of *Spelling 3 for Young Catholics*, there are phrases and sentences that incorporate the spelling list words while presenting wholesome and Catholic values.

Spelling 3 for Young Catholics is designed to accompany *Phonics 3 for Young Catholics*, but it may be used independent of the phonics book.
