INTRODUCTION

TEACHING TIPS

Most State Departments of Education require one hour of Art per week for First Grade. These lesson assignments need not take more than one hour, but children often love to work longer. Because of this, we suggest that you have Art class on Friday afternoons and on Holy Days when other subjects have not been scheduled.

Individual lessons are presented with the corresponding activities in the book *Art 1 for Young Catholics*. Feel free to modify the activities to suit your child or homeschool situation. If you have more than one child in Home Study, they may all undertake the same activity, or modification of the activity, to create their own “masterpiece.”

Be sure to encourage your child often and make a point of displaying the artwork in your home.

GRADING GUIDELINES

Your child’s grade in this course will depend on your assessment. Please assign a grade to your child (A, B, or C) for each quarter and submit this grade to Seton. At this level, your child’s grade should be based on his or her willingness to do the best work possible. You might also want to consider your child’s level of commitment to finishing the projects you assign.

Quarter Report Forms are located in this Course Manual, immediately after this lesson plan. To submit your child’s quarter grade to Seton, you may either record this grade in Section A of the appropriate Quarter Report Form and mail it to Seton at the end of the quarter or submit this grade to Seton online.

To submit grades online, go to the Seton website (www.setonhome.org), log on to your MySeton page, click on Courses, and scroll down to Art 1. Then click on “view” under the correct quarter. You will see a yellow box for the home grade. To enter a grade, click on “Enter Parent Grades.” This will open a new blank box in place of the yellow one under “Grade.” Type the grade in this box, and click on “Submit Parent Grades.”
